Greek and Roman Mythology Easy-to-read version of stories from classical mythology.

A Handbook to the Reception of Classical Mythology This book is a detailed treatise on Greek and Roman mythology, dealing comprehensively with the Gods, demi-Gods and heroes of Greco-Roman legend. Highly Detailed and illustrated, this book constitutes a veritable encyclopedia of Greek and Roman mythology, including descriptions of notable characters: Jupiter, Juno, Minerva, Apollo, Diana, Venus, Mercury, Mars, Vulcan, Neptune, Pluto, Bacchus, Ceres and Proserpina, Vesta, Janus, Somnus and Mars, Eolus, Hercules, Perseus, Theseus, Jason, OEdipus, Bellerophon, Pan Included, are some of the most famous and interesting mythological tales, such as Hercules' 12 labors, the adventures of Ulysses, the adventures of Æneas and the Trojan War. This book is highly recommended for those with an interest in ancient mythology.

Mythology This volume brings together a variety of approaches to the different ways in which the role of animals was understood in ancient Greco-Roman myth and religion, across a period of several centuries, from Preclassical Greece to Late Antique Rome. Animals in Greco-Roman antiquity were thought to be intermediaries between men and gods, and they played a pivotal role in sacrificial rituals and divination, the foundations of pagan religion. The studies in the first part of the volume examine the role of the animals in sacrifice and divination. The second part explores the similarities between animals, on the one hand, and men and gods, on the other. Indeed, in antiquity, the behaviour of several animals was perceived to mirror human behaviour, while the selection of the various animals as sacrificial victims to specific deities often was determined on account of some peculiar habit that echoed a special attribute of the particular deity. The last part of this volume is devoted to the study of animal metamorphosis, and to this end a number of myths that associate various animals with transformation are examined from a variety of perspectives.

Animals in Greek and Roman Religion and Myth Explore classic stories of the great Greek and Roman heroes, gods, and monsters. Who's Who in Classical Mythology is an indispensable guide to all the Greek and Roman mythological characters, from major deities such as Athena and Bacchus,

to the lesser-known wood nymphs and centaurs. Also included, of course, are the heroic mortals, figures such as Jason, Aeneas, Helen, Achilles, and Odysseus, all brought to life in a fascinating series of portraits drawn from a wide variety of ancient literary sources. Each entry offers a small window into a timeless mythological world, one filled with epic battles, bizarre metamorphoses, and all sorts of hideous and fantastic monsters. The perfect book for casual browsers and folklore enthusiasts alike, Who's Who in Classical Mythology offers a rich and readable guide to some of the greatest stories ever told.

The Lincoln Library of Greek & Roman Mythology First Greece, then Rome, the Greeks were not the only people to produce myths. The Romans also had a rich mythology of their own and, while much of it was derived from their neighbors, the Greeks, it still defined the rich history of the Roman people as they eventually grew into an empire. Myths are the reflection of the ancient's view of the world, they often appear as simple stories filled with valiant heroes, maidens in distress, and a host of all-powerful gods. The gods of the Greeks and Romans were anthropomorphic, exhibiting many human qualities such as love, hate, and jealousy, and because of this, the people of Rome and Greece were able to see themselves in these tales and understand their relationship to the rest of the world as well their connection to the gods. The lesson often to be learned was that one must meet one's destiny with strength, determination, and nobility. These myths enabled an individual to stand against the ills and hardships of an unforgiving universe. In spite of their constant disagreements and battles, the gods and humankind had to stand together against the "monsters and giants" of the world, or more simply, the "forces of disorder and wanton destruction." Myths, whether Greek, Roman, were concerned with the relationship between the gods and humans, are different in this regard from fairytales and folktales. For all people, in many ways, myths made life bearable by providing security. They should not be regarded as mere stories for, in both Greece and Rome, they dealt with important issues: the creation of the world, the nature of good and evil, and even the afterlife. And, for this reason, these tales have stood the test of time and become part of our present day culture. One only needs to look at the names of our planets to see this: Mercury, Venus, Mars, Jupiter, Saturn, Neptune, Uranus and even poor little Pluto are all named for Roman gods. The Book comprises 106 Greek and Roman mythology tales.

Butlin's Greek and Roman Mythology Examines the historical development of Greco-Roman mythology, its heroes, and its influence on the history of Western civilization.

Mythology Presents stories about the twelve gods and goddesses of Olympus.

Gifts from the Gods Learn all about the creation of the world, what happened during the Trojan War and what happened to those who fought in it, as well as some other little myths not many people can recall. Read about how it all connects together. You can get accurate descriptions of numerous events in Greek and Roman history all depicted and condensed in short easy to read poems.

Children's Books on Ancient Greek and Roman Mythology Excerpt from Greek and Roman Mythology Heroic Legend Study of Greek religion needs no apology, and should need no bush. This all must feel who have looked upon the creations of the art it inspired. But to purify and strengthen the admiration by the higher light of knowledge is no work of ease. No truth is more vital than the seeming paradox which declares that Greek myths are not nature-myths. The ape is not further removed from the man than is the nature-myth from the religious fancy of the Greeks as we meet them in history. The Greek myth is the child of the devout and lovely imagination of the noble race that dwelt around the Aegean. Coarse fantasies of brutish forefathers in their Northern homes softened beneath the southern sun into a pure and godly beauty, and thus gave birth to the divine forms of Hellenic religion. Comparative Mythology can teach us much. It can shew how gods are born in the mind of the savage and moulded into his image. But it cannot reveal to us the heart of the Greek as his devout thoughts turned towards his gods. Greece sees God with her own eyes; and if we would share the loveliness of her vision we must put away from our thoughts the uncouth forms which had been worn by her northern forefathers' deity, the slough cast off by her gods as they grew into shapes of godliness and beauty. True it is that in regions where nature and history hindered Greek religion from developing its potential riches, that slough was still often trailed by the figures of popular faith; but these exceptions point all the more effectively the lesson of evolution in Greek religion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Roman Gods, Heroes, and Mythology

Rom für 5 Denar am Tag Explore Captivating Stories of Greek and Roman Gods, Goddesses and Monsters in this Ultimate Guide to Classical Mythology This book includes two captivating manuscripts: Greek Mythology: Captivating Greek Myths of Greek Gods, Goddesses, Monsters and Heroes Roman Mythology: A Captivating Guide to Roman Gods, Goddesses, and Mythological Creatures In addition to explaining how creation itself began, myths in many cultures have the function of "just-so" stories, explaining various other important things—the invention of fire, why we have weather, the names of plants and birds. Greek and Roman mythology is no different: enfolded in grand stories of gods and heroes are some of the ways the ancient Greeks and Romans understood many of the more common aspects of their world. Although the gods and goddesses were powerful immortal beings, they were in many ways still very like the humans who worshiped them and who created these tales. The gods and goddesses are stricken with jealousy; they fall in love; they get angry when they feel slighted, and bestow gifts when they are honored. Likewise, the heroes are larger than life: they're stronger, faster, and more skilled than ordinary mortals, but they are still subject to pain, illness, and death. Within this book, you'll find the following myths and topics covered The Creation of the Titans The Birth of the Olympians and the Downfall of the Titans Prometheus and Epimetheus The Birth of the Muses The Olympian Gods and Goddesses Hera, Queen of the Gods Hermes, Trickster, and Messenger of the Gods Grey-Eyed Athena, Goddess of Wisdom and Strategy Hephaestus, God of Fire and Smithcraft Artemis, Virgin Goddess of the Hunt Apollo, God of Music and Healing Dionysus, God of Wine and Ritual Madness Ares, God of War, and Aphrodite, Goddess of Love The Story of Demeter and Persephone Demigods, Heroes, and Monsters The Story of Perseus Heracles Theseus and the Minotaur The Trojan Connection What History and an Analysis of Myth Tell Us Founding of Rome Purely Roman Gods The Creatures of Roman Mythology Borrowings from Etruria Influence of the Greek Pantheon Greek Creatures Adopted by the Romans Roman Conquests of the Celts Truth Behind the Roman Gods And More Get the book now and learn more about Classical Mythology

Greek & Roman Mythology, Grades 6 - 12 Describes the beliefs and myths of both the Greeks and Romans.

Roman Gods & Goddesses

The Myths of Greece and Rome

A Companion to Greek Mythology While the ancient Roman pantheon in many ways resembles that of ancient Greece, there is much that sets apart Roman mythology. Romans also borrowed from the religions of ancient Egypt, Asia Minor, and the Middle East, and legendary figures such as Romulus and Remus, tied closely to the history of Rome, feature prominently in ancient stories. The major and lesser figures of Roman mythology are presented in this vibrant volume with sidebars spotlighting related facts and concepts about Roman mythology and religion.

Greek and Roman Mythology, Vol. 2. Into the Myths This reference begins with chapters on the history of children's books on classical mythology in the United States, and then presents an annotated bibliography of appropriate titles for children.
